To Whom It May Concern,

I would like to recommend Mr. Roderick Scott as a Hazard Mitigation Resource for your Municipality. Mr. Scott is a Hazard Mitigation Specialist and Historic Resource Specialist and offers public lectures to share his knowledge and expertise. After Superstorm Sandy, the Borough of Point Pleasant Beach arranged for Mr. Scott to present his information to our residents at the G. Harold Antrim School. The event was a huge success and extremely beneficial to our residents. His communication and people skills are outstanding.

I highly recommend Mr. Scott to other Municipalities as a resource to help their residents through this difficult post storm time.

If you need any additional information, please contact me.

Regards,

Christine Riehl
